

## STAGE PERFORATING SERVICES

In the complex world of oil and gas, having superior equipment alone isn't enough. Success demands foresight to anticipate and tackle industry risks head-on. Enter Ranger's CommandPerf® and CommandReach systems: cutting-edge solutions that redefine operational efficiency and safety standards.

With CommandPerf®, tasks are streamlined for peak performance, while CommandReach offers proactive risk mitigation. Together, they embody Ranger's commitment to innovation, safeguarding both processes and personnel. With Ranger, you're not just adopting technology; you're embracing a safer, more efficient future.

Rely on Ranger for an enhanced, efficient, and forward-thinking approach to your oil and gas operations.

RANGER LEADS THE WAY

## COMMANDPERF® STAGE PERFORATING

### Elevate Your Perforating Operations

- Best-in-class technologies for optimized performance.
- Plug-and-play Safe Fire Perforating Systems: versatile and disposable with a range of charges and sizes.
- Remote Wellhead Quick Connect: Enhanced safety with designs removing personnel from high-pressure zones.
- Addressable Ballistic & Mechanical Release Tools: Protecting wireline, reducing risk.
- Downhole Cable Head Tension: Improving pump down efficiency and speed.
- Greaseless or Conventional line operations: Faster running speeds, eco-friendly operations, and extended horizontal reach.

## COMMANDREACH RISK MITIGATION

### Minimize Operational Risks

- Real-time Monitoring & Modeling: Stay informed, reduce risks, and improve efficiency.
- Extended Reach: Benefit from long laterals with our state-of-the-art lines.
- Combined Pump Down Services: Synergized teams for improved communication and operations.
- Perforating Gun Systems: Safe, plug-and-play, and fully disposable solutions delivered to the wellsite.
- Multiple Charge and Phasing Options: Catered to your specific needs.
- Remote Wellhead Quick Connect: All-weather systems equipped with night cap and ball drop capability.
- Greaseless Wireline: Speed, eco-friendliness, and no maintenance concerns.
- Integrated Ranger Pumping Services: Reduced risk, optimized crews, and synergized systems.

## WHY CHOOSE RANGER WIRELINE?

- Experienced & highly qualified team
- State-of-the-art equipment
- High performance culture
- Robust, behavior based QHSE management program
- Continuous improvement program
- Innovative technology development
- Technical solutions for today's complex wells

## SAFETY

Safety is our top priority. Our entire organization is committed to ensuring that a proactive safety culture exists throughout the company.

## QUALITY

At Ranger we are focused on providing the highest quality of service while protecting our employees and the environment in which they work. Ranger crews are dedicated and passionate about our business, with a track record of excellence and verified levels of competency.

## EFFICIENCY

Ranger has streamlined our standard operating procedures to eliminate non-productive time for our customers. Our highly efficient and effective approach will contribute to optimizing your well results.
